

**ASOCIACIÓN CIVIL
VOLUNTARIOS SIN FRONTERAS (VSF)**

Personería Jurídica Nº 1.759.594 Res. IGJ 749/06

YOU CAN BE PART OF THIS ALTERNATIVE!!!

We would like to tell you (much like we did in the information session), that **VSF** is a Non-Profit Organization that does not receive regular support from the government, churches, or political parties. And since we have no desire to do so, we have to find alternative ways to financially sustain the operations of our 12 social projects. On the other hand, **VSF** does not charge: for participation in its Projects, its volunteers, or organizations (which differentiates us from other organizations that call themselves “social.” The activities of **VSF** are completely free. At the same time, **VSF** does not have employees, nor do we wish to dedicate anyone “full-time” to fundraising (as there are many other important aspects to our organization). As a result, we are asking for help from anyone who can make a supportive donation. We aren’t asking for much and every donation is very useful.

WE’D LIKE TO GIVE YOU A FEW EXAMPLES:

- With a donation of **\$5 per month**, Nicole in Villa 31 could learn English every Saturday.
- With a donation of **\$10 per month**, Edgard in Villa 3 could take data processing classes every Saturday
- With a donation of **\$20 per month**, would could provide a Tuesday afternoon snack in the neighborhood dining area
- With a donation of **\$50 for the year**, we can sponsor a youth leader to take a foreign exchange trip
- Donating **\$100** you will be helping our Community Magazine Project while also ensuring that one of our youth goes to university
